

Fun interactive financial education for all ages

Financial Toolbox *Money Matters* workshops give women information, tools and confidence to manage your money and take charge of your life.

THE FACTS: on average WA women have less than half the savings of men, a third of WA women retire with zero superannuation, women earn 24 per cent less than men and most WA women still lack financial confidence and skills to invest. Women have been disproportionately disadvantaged by the COVID pandemic, impacted economically, emotionally and socially.

Money Matters: Future Fun – Superannuation and Investment – 23 November 20

Superannuation is saving for your retirement to ensure you have enough funds for a comfortable retirement and for future plans. Investments covers a range of other options you might consider to help grow your savings and achieve your goals.
